

Spanish Stitch

Your Trusted Apparel Sourcing Partner

From Bangladesh to the World

A trusted Bangladesh-based apparel buying house delivering premium quality garments with competitive pricing and on-time shipment excellence.

High-Quality T-Shirts

Expertly crafted for comfort and durability.

Modern Hoodies

Trendy designs meeting global fashion standards.

Versatile Pants

Premium fabrics for everyday wear and specialized needs.

Who We Are

Founded by Saju Ahammod, Spanish Stitch emerged from a vision to become a renowned sourcing partner bridging Bangladesh's manufacturing excellence with global fashion brands. Beginning as a trainee merchandiser in 2018, our founder gained hands-on expertise across every production stage—knitting, dyeing, sewing, and weaving—to deliver uncompromising quality.

Our Mission

Deliver quality garments with competitive pricing and guaranteed on-time shipment.

Our Vision

Become the trusted development partner for global brands seeking excellence in apparel sourcing.

Our Promise

Transform creative ideas into perfect garments through expertise, transparency, and reliability.

Complete Service Ecosystem

From concept to delivery, Spanish Stitch provides end-to-end apparel development services designed to streamline your sourcing journey.

01

Product Development

Strike-offs, knitdowns, lab-dips, and technical design support with full capability.

02

Accurate Costing

Competitive price negotiation with transparent breakdowns and material sourcing optimization.

03

Fast Sampling

Quick turnaround on samples with in-house SMS order facility and dedicated sample section.

04

Quality Control

Rigorous inspection at every stage with compliance verification and technical expertise.

05

Shipment & Logistics

Reliable delivery coordination with daily updates and transparent communication throughout.

06

Compliance Support

Factory audits, certification verification, and dedicated compliance team oversight.

Diverse Product Range

Delivering 4 season in a year across multiple product categories with full technical expertise and specialized finishing capabilities.

Knitwear

T-shirts, polos, sweatshirts, and specialty knit items with advanced fabric treatments.

Woven

Shirts, bottoms, jackets, and structured garments with precise technical specifications.

Denim

Premium jeans, jackets, and denim wear with authentic wash and finish expertise.

Specialized

Activewear, puffers, outerwear, kidswear, and performance fabrics with innovation focus.

Why Global Brands Choose Spanish Stitch

Fast Sampling

Rapid turnaround with in-house sample capability.

Competitive Excellence

Strategic pricing without compromising quality or reliability.
Smart cost optimization across materials and processes.

Proven Factory Network

Partnership with audited, compliant, and certified factories equipped with modern technology and consistent quality standards.

Development Strength

In-house design capabilities, sample facility, print and embroidery production, with advanced fabric sourcing and technical knowledge.

Reliability & Transparency

On-time delivery guarantee, daily communication updates, TNA follow-ups, and complete order visibility from production to shipment.

Volume Capacity

Handling 200-300 diverse styles per season with consistent quality and flexible order management capabilities.

Advanced Capabilities & Expertise

Spanish Stitch is equipped with in-house facilities and specialized technical knowledge to handle complex garment production and finishing requirements.

Specialized Finishing

In-house print and embroidery production with advanced wash treatments, dyes, and customized finishes to elevate your products.

Material Mastery

Comprehensive fabric library, trims sourcing, lab-dip capabilities, and technical expertise in fiber blends and performance fabrics.

Quality Assurance

Dedicated compliance team, factory audits, SMS order capability, and rigorous testing protocols ensuring every garment exceeds standards.

Global Reach & Growing Partnerships

Spanish Stitch serves leading apparel brands and retailers across Europe, USA, and Asia, establishing Bangladesh as a premier garment sourcing destination.

Specialized Factory Network for Diverse Production

Spanish Stitch leverages a robust network of 7 highly-qualified composite factories across Bangladesh, specialized for all kinds of product production including knit, woven, sweater, and outerwear. This network is built on strong personal relationships and deep operational expertise.

7 Specialized Composite Factories

A curated network of facilities offering integrated production capabilities for knit, woven, sweater, and outerwear, from knitting to finishing.

Certified & Compliant

All partner factories adhere to international quality standards and hold essential certifications.

Deep-Rooted Relationships

Years of direct collaboration and strong trust with factory owners ensure seamless execution and reliability.

Proven Production Expertise

Extensive experience managing diverse styles and complex production requirements with consistent quality.
